Advanced settlement agreements and pre-termination negotiations

Originally broadcast on Thursday, May 15, 2014 - 12:30

During this webinar our expert speakers will discuss settlement agreements, exploring the complexities and pitfalls which may present themselves. Settlement agreements are an incredibly beneficial tool for settling disputes between employers and employees, without having to resort attending full hearings at the Employment Tribunal.

This webinar will cover:

- Changes in the law
- The implications of protected conversations
- Exit packages
- Conciliation
